**Tri-Parish Transition Team Satisfaction Survey**

It has been nearly a year since our three Catholic parishes began dealing with the transition from three priests to two, while striving to maintain the uniqueness of each parish. Now that some of the initial dust has settled, the Transition Team would like to touch base with the parishioners once again to make sure the pastoral needs are being met. Please take some time to fill out this survey and return it via the mail or the collection basket at your parish. We welcome your comments, but please keep them Christian. If you have a serious question or concern, please be sure to put your name on this survey. That way someone can get in touch with you with an answer.
